Dear Friends:

I am delighted that Divine Performing Arts is bringing its world-renowned show to the Durham Performing Arts Center on December 28, 2008. Over 600,000 people in more than 60 cities on four continents have experienced the show's grace and power. Durham is proud to be among them.

Unique background scenery, costumes and choreography create a glorious production and contribute to our understanding of the traditional arts of China. We are blessed in the Triangle to be exposed to the talent of many cultures and to be inspired by them.

I hope that 2009 will be a good year for you and all our neighbors around the world.

Sincerely,

A handwritten signature in blue ink that reads "David Price".
